

ICWIP2023 proceedings will be published by AIP. Details for preparation of the proceedings are given below:

Page limits for various types of contributions are given in the table below and strict compliance is essential

Invited talk	5 pages
Country paper	3 pages
Workshop report	5 pages
Satellite workshop report	3 pages
Selected Contributory paper	4 page

The contribution can be prepared using MSWord or latex. Templates and author instruction are available at the AIP website at following link :

[ACP - Preparing Your Manuscript | AIP Conference Proceedings](#)

LAST date of submission April 30, 2024

Please do not send your contribution by email. You will receive a link to the folder for uploading your contribution.

Please note that your contribution will be reviewed and you are expected to revise the contribution as per suggestions received.

Contributory papers corresponding to the submissions selected for the best poster awards will be included in the proceedings.

If any questions - Please contact icwip2023reg@gmail.com
